*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Wren Middle School is an outstanding school with high expectations and academic excellence as primary goals. We are committed to providing a learning environment where students are challenged to acquire the skills and knowledge necessary for future success. "Closing the Achievement Gap" continues to be a major focus as we strive to meet the academic needs of all of our students. With the implementation of common core standards, teachers and administrators continue to collaborate within professional learning communities to plan the most effective instruction that will enable all students to reach their greatest potential. All students participate in MAP testing in the areas of ELA and math in the fall and winter. Test data is analyzed in an effort to identify the academic strengths and weaknesses of individual students. Wren Middle School offers programs during the school day that are specifically designed to provide extra time and assistance for students in all academic classes. Academic teachers provide time for tutoring students before and after school, as well as during lunch. We will continue to increase the number of students that exceed expectation in all areas of the Palmetto Assessment of State Standards Test. Our students are not only successful academically, but also in athletics and all areas of liberal arts. WMS band and strings students have won many awards at Region and All-State competitions as well as concert festivals with ratings of excellent. The WMS National Junior Beta Club continues to be an integral part of all our programs at Wren Middle School through tremendous leadership and support of various community activities and events. Once again they will represent Wren Middle School at the 2013 National Junior Beta Club Competition in Mobile, Alabama. The Early Act First Knight Character Education Program continues to provide recognition for students that exhibit outstanding character. The lessons of character have had a positive impact on all of our students.

Wren Middle School appreciates a supportive PTSO and School Improvement Council. Our PTSO continues to provide funds for technology and other instructional materials that enhance our academic programs as well as extracurricular events. Wren Middle School is a community of learners emphasizing academics, service, and the arts. Our goal is to provide students with diverse and challenging opportunities that will bridge the gap to the future and enable them to develop skills to ensure success throughout their educational careers and beyond.

Brent Greer, School Improvement Council Chairman
Robin R. Fulbright, Principal
